

GET ELIGIBLE PATIENTS STARTED IN-OFFICE

Accelerate your patient's start on ALTUVIII[®].

The **ALTUVIII[®] Free Trial Program** can be accelerated to allow eligible patients to receive an initial dose—at no cost to them—on the same day as their visit.

When enrolled in the Accelerated Free Trial Program,

- ✓ HCPs may dispense an initial dose of ALTUVIII[®] from their commercial inventory for prophylactic or on-demand use
- ✓ Sanofi ships replacement product within two (2) business days of Free Trial approval

Ready to get your patients started?

Free Trial valid only for eligible patients' first prescriptions and it is limited to one use per patient per product for their lifetime. Free products dispensed through the Accelerated Free Trial, Free Trial, or Patient Assistance Programs shall not be submitted to any third-party payer, public or private (e.g. private insurance, Medicaid, Medicare, VA, DoD, TRICARE®, or similar federal or state programs) for reimbursement. Program not valid where prohibited by law. Sanofi reserves the right to modify or terminate the Program at any time without notice. Program details provided upon registration.
