I acknowledge that I have obtained authorization to release the patient's personal health information and the information on this form and any prescription to Sanofi (together with its parents and affiliates, "Sanofi") and its third-party business partners, vendors, and other agents ("Agents") for the purpose of providing product support services ("the Programs") including conducting a benefits investigation. I further certify that any service provided by Sanofi on behalf of any patient is not made in exchange for any express or implied agreement or understanding that I would recommend, prescribe, or use any Sanofi product or service for anyone, and my decision to prescribe Qfitlia was based solely on my determination of medical necessity. I understand that my information may be used by Sanofi to manage and improve the Programs, to communicate with me about my experience with the Programs, and/or to send patient materials relating to the Programs. With respect to any free product provided to the patient listed above, I understand that provision of the product is not contingent on any purchase obligations. I also understand that no claim for reimbursement will be submitted to Medicare, Medicaid, or any third-party payer for medication received free of charge under the Program, or for related medical procedures and services; nor should the free product be sold, traded, or distributed for sale. I authorize Sanofi or its affiliated companies or subcontractors, including in-network specialty pharmacies, through HemAssist ("Program") to forward this prescription electronically, by facsimile, or by mail to the relevant in-network pharmacy for the above-named patient. In addition, I certify and warrant the following: This request has been prepared exclusively by me or my office. I will notify the Specialty Pharmacy immediately if Qfitlia is no longer medically necessary for this patient's treatment or if my patient's insurance status changes. I authorize Sanofi as my designated agent and on behalf of my patient to (1) forward the above service request form and furnish any information on this form to the insurer of the above-named patient and (2) forward the above prescription, by fax or other modes of delivery, to dispensing pharmacy. I agree to assist in efforts to secure access to Qfitlia for my patient in the event of a coverage delay. The prescriber is to comply with state-specific prescription requirements, such as e-prescribing, state-specific prescription form, fax language, etc. Non-compliance with state-specific requirements could result in outreach to the prescriber.

By signing this Authorization for Release and use of Health Information ("Authorization"), I authorize my health care providers (including my pharmacies), and my health plans and insurers [and their contractors] (collectively, the "Parties") to disclose to Sanofi including its parents, affiliates, and its third party business partners, vendors, and other agents (collectively, "Sanofi") information about my disease, treatment, insurance coverage, and payment for my therapy (together with the information I have provided on this Enrollment Form and may provide in the future, "my Information") for the purposes of Sanofi providing me with patient support services and sending me communications that I have agreed to receive elsewhere in this Enrollment Form.

The Parties and Sanofi may use and disclose my Information for the purposes of providing certain support services I agree to in this Enrollment Form, including, but not limited to: (1) determining if I am eligible to participate in HemAssist ("the Program"); (2) to manage and improve the Program; (3) to communicate with me about my experience with the Program; (4) to send materials relating to the Program; (5) investigating my health insurance coverage; (6) operating and administering the Program; and (7) contacting me for follow-up on any adverse event I may disclose regarding a Sanofi product. I further authorize Sanofi to de-identify my health information and use it in performing research, education, business analytics, and marketing studies, or for other commercial purposes, including linkage with other de-identified information Sanofi may receive from other sources.

I understand that Sanofi may provide my Specialty Pharmacy with payment to obtain, use or disclose my information. I understand that my personal health information may be used for communications between Sanofi and me which may be considered marketing. Specialty Pharmacies may receive remuneration in exchange for disclosing my information and/or for providing me with support services in connection with HemAssist. You may have certain rights under applicable data privacy laws regarding your personal information, including the right to access your personal information held by Sanofi. For further information regarding these rights, please reference our Global Privacy Policy at www.sanofi.com/en/privacy-and-data-protection. Withdrawal of this Authorization will end further reliance on this Authorization (and my participation in the Program) but it will not affect any use or disclosure of my Information before my notice of withdrawal is received and processed.

8. Patient Certifications

PATIENT: *Please read the following carefully, then date and sign where indicated.*

I attest that I have a valid prescription for Qfitlia, that I reside in the US or a US territory, and that I am being treated by a prescriber in the US or a US territory. If enrolling in the Copay Program, I attest that I have commercial insurance, and I further attest that I will not use a state or federally-funded health insurance program such as Medicare (including Medicare Part D), Medicaid, Medigap, VA, DoD, TRICARE®, or similar federal or state pharmaceutical assistance programs to pay in part or in full for my Qfitlia prescription.

I authorize Sanofi to provide me with various therapy support services for which I am eligible, which may include but are not limited to:

- Patient education and adherence support
- Insurance benefits investigation to assess eligibility for coverage and reimbursement (if requested)
- Coverage and financial assistance support (if requested)
- Other support services that may be added in the future, as well as any information or materials related to such support services

I acknowledge and understand that Sanofi cannot provide me with medical advice, and I will direct all treatment-related questions to my healthcare professional.

I understand and agree that Sanofi may contact me about such services and information by mail, e-mail, telephone call, fax, or other means at the telephone numbers, email, and mailing addresses I provide. I understand a representative from Sanofi may contact me for follow-up on any adverse event I may report regarding a Sanofi product. I understand that I do not have to enroll in the Program and that if I choose not to enroll, I can still receive my medication as prescribed by my physician. I may opt out of the Program at any time by calling the Case Management team at 1-833-723-5463, emailing SanofiHemAssist@Sanofi.com, or sending a written notice that includes my name, address, and phone number, to Sanofi, ATTN: HemAssist Patient Support, 450 Water St, 3rd Floor, Cambridge, MA 02141. Sanofi reserves the right to modify or terminate any or all support services at any time without notice.

If enrolling in the Sanofi Copay Program* (the "Copay Program"), I understand that my Copay Card information will be sent to my designated Specialty Pharmacy along with my prescription, and any assistance with my applicable cost-sharing or copayment for Qfitlia will be made in accordance with the Copay Program terms and conditions.

*Not valid if the patient is utilizing a state or federally-funded health insurance program such as Medicare (including Medicare Part D), Medicaid, Medigap, VA, DoD, TRICARE®, state pharmaceutical assistance program, etc. to pay in part or in full for your Qfitlia prescription. The program is intended to help patients afford their Qfitlia prescription. Patients may have insurance plans that attempt to dilute the impact of the assistance available under the program. In those situations, the program may change its terms.

8. Patient Certifications (continued)

Patients whose health insurance benefits offer, or whose health insurance plans work with, an alternative funding program are not eligible for the Patient Assistance Program/need-based free drug. "Alternative funding programs" sometimes refer to themselves with different names and promote their services as a benefit being offered through patients' health insurance plans. In determining whether your health insurance plan offers or works with an alternative funding program, please consider the following: (1) did a third party assist you with, or provide guidance about, the preparation of your application for this program and/or direct you to apply; (2) were you told that you were required to work with a third party or a "patient advocate" in order to receive coverage for your medicine; (3) were you told that you were required to apply to a manufacturer's patient assistance program as a prerequisite to having plan coverage for your specialty drug, including Sanofi products; (4) were you told that you do not have plan coverage for your specialty drug unless alternative funding sources for your specialty drug could not be found, (5) were you required by your plan to provide personal and health information to a third party program or enter such information into a third party patient portal in advance of completing this application, (6) did your employer recently tell you that your specialty drug plan benefits have changed; or (7) do you have any other reason to think that your health plan may work with an alternative funding program, or an alternative funding program may be involved in your plan benefits? If you answered yes to any of these questions, please check with your plan sponsor and review your plan benefits to determine whether your plan works with a third party that provides any of the services, or is connected to any of the requirements described herein. If it does, you are not eligible to apply for this program. By applying to the Patient Assistance Program, you certify that the answer to all of these questions is "no."

I also agree that Sanofi may verify my eligibility for HemAssist, and I understand that such verification may include contacting me or my healthcare provider for additional information and/or reviewing additional financial, insurance, and/or medical information. I authorize Sanofi under the Fair Credit Reporting Act to use my demographic information to access reports on my individual credit history from consumer reporting agencies. I understand that, upon request, Sanofi will tell me whether an individual consumer report was requested and the name and address of the agency that furnished it. I further understand and authorize Sanofi to use any consumer reports about me and information collected from me, along with other information they obtain from public and other sources, to estimate my income in conjunction with HemAssist eligibility determination process, if applicable. I further understand that no free product may be submitted for reimbursement to any payer, including Medicare and Medicaid; and no free product may be sold, traded, or distributed for sale. If approved for HemAssist, I will not seek to have the value of any medication provided to me under this program counted toward my true-out-of-pocket (TrOOP) cost for prescription drugs for my Medicare Part D Plan. Continuation in HemAssist is conditioned upon timely verification of income. In addition, I agree to notify HemAssist immediately if my insurance status or my income changes. Sanofi reserves the right to review assistance requests based on patient needs and to change program guidelines or terminate the program at any time without notification.
